

The Reality of Ethnic Cleansing in Nigeria:

A Racial Displacement Agenda

Two Races

- Nigeria is a country of **TWO RACES**:
- The Negroes
- The Negroids
- The negroes are indigenous African ethnic nationalities
- The negroids are Africans of Arab descent

Since 2009, under the guise of jihad, a program of ethnic cleansing started, and it gradually morphed into anti-negro attacks. The massacre amongst Hausa Muslims is a pointer.

Indigenous ethnic nationalities in Nigeria at risk

Borno, Adamawa, Benue, Taraba, Plateau, Southern Kaduna, Zamfara, Kebbi, Niger, Katsina, Sokoto, Kogi, Enugu, Oyo, Ondo, Bayelsa, etc

PLATEAU STATE
